"With the Memorial Day Holiday approaching, most people think about cookouts, Indy 500 Race, big sales, etc. We should all take a moment to remember the significance of this day which is to pay our respect to those who have given their life for our country as well as our veterans and those still serving our country today. One way to pay homage is to display the American Flag at your business or home, as well as checking with any local Veteran's Organization for any special services. WISHING ALL OF YOU A SAFE AND MEMORABLE HOLIDAY!"
